COMMERCIAL FIVE YEAR WARRANTY

The Eclipse™ Advantage

Get the weights that show your club is as serious about modernization as it is about weight training. Eclipse pro-style dumbbells from Hampton Fitness are the most modern free weights available—combining form, function, and style for a high-performance product even your toughest clients will appreciate. Designed in America by mechanical engineers and fitness experts, Eclipse incorporates Hampton's ultra-secure Dura-Lock™ end cap as well as our patented ergonomic urethane handle, the Snug-Grip™.

Urethane Coated Snug-Grip Handles

Snug-Grip's contoured handle supports the hand's natural arch, creating a comfortable, solid grip. The outside shoulders of each handle have been expanded to 50 mm, which centers the hand and prevents the painful impact caused by old-style handles that can slide during workouts. Since you don't need to grip the weight so tightly, you can focus more attention on the muscle you're targeting.

SNUG-GRIP

The next generation in ergonomic urethane handle design, Snug-Grip™ allows you to focus your energy on the target muscle.

Dura-Lock End Cap

Hampton's unique Dura-Lock end cap system makes Eclipse virtually maintenance free.
