

GROUP EXERCISE RACKS

Group Exercise Racks

Here at Hampton Fitness, we carry an extensive array of group exercise storage racks. These creative racks are a beautiful way to display Club Packs of dumbbells, plates and bars. From footlocker-style to our rotational storage bins and more, we undoubtedly have the storage racking options for all of your fitness needs. For portability, casters are standard or optional on some of these models. Check with your local representative about custom-painting to match color schemes.
