DURA-PROSTYLE

The Eclipse™ Advantage

Hampton's New Pro-Style Urethane Dumbbell is backed by a Five-Year Commercial Warranty. It's a new twist on the classic pro-style fixed dumbbell, which is extremely efficient and effective for any health club environment. These plates are secured by our patented DURA-LOCK end-cap system, therefore, virtually maintenance free. The Eclipse Dumbbell is equipped with the Urethane Coated Snug-Grip handles. Sizes available from 2.5 kg to 80 kg. EZ Curl and Straight Barbells are also available ranging from 10 kg to 55 kg.

Available with Snug-Grip

Snug-Grip's contoured handle supports the hand's natural arch, creating a comfortable, solid grip. The outside shoulders of each handle have been expanded to 50 mm, which centers the hand and prevents the painful impact caused by old-style handles that can slide during workouts. Since you don't need to grip the weight so tightly, you can focus more attention on the muscle you're targeting.
