

HERO-LLER

Textured surface offers a superb feel allowing the user to apply significant but bearable amounts of pressure on both muscle and tissue for a true pain/pleasure experience. Use the "HERO-LLER" to improve mobility in joints and to relieve muscles after strenuous training sessions.

- Mimics pressure applied by a sports therapist's hands
- Tubular ridges imitate fingers
- Wide groove texture act as palms of the hand
- High circular indents for fingertip like feeling
- 100% EVA Rubber
- 1 Year Warranty
