

SLAM BALLS

Whether you're working your triceps, abdomen, or shoulders, HeroStrength[®] has the right product for your exercise needs to increase explosive power for athletes in all sports. The HeroStrength[®] Slam Ball has a tough rubber outer shell filled with a mixture of sand, iron granules, and adjustable air and helps develop power, strength, and speed. Able to withstand all your powerful slams while increasing your heartbeat and burning more calories.

- Available in a wide selection of weights and offered in a bold Blue/Black outer coloring that is resilient to your hardest slams.
- Warranty: 1 year
