

STABILITY BALLS

Whether you're maintaining your core on a regular basis, or just trying these for the first time, HeroStrength® Stability Balls are professionally made to be anti-burst and resilient for any workout. This makes the 55cm, 65cm or 75cm balls essential for all home gyms. The Stability Balls are excellent for core stability, balance, abdominal work, and stretching.

- Made from high-quality vinyl designed to support 500 lbs. of weight
- Includes air pump for adjusting pressure
- Ball size used according to athlete's height
- Warranty: 1 year
