

# THROW BALLS

HeroStrength® “Throw” Balls are designed for strength and endurance exercises to enhance your stamina, speed, power, accuracy, coordination and balance among others. HeroStrength® “Throw” Balls are built to give you the efficacy of a front-squat and push-press aimed directly to your target. Confidently throw, toss, and catch while ensuring your safety and protection.

- Solidly constructed in synthetic leather and double-stitched.
- Ample padding in a soft durable shell for ideal grip and easy catch.
- Designed in a sleek and practical matte black & gray color.
- Features silicone gel bubbles on both sides for extra grip traction.
- Warranty: 1 year
