

DUMBBELLS

DURA-PRO

The urethane-coated Dura-Pro dumbbells' compact design allows you to choose from both our vertical and horizontal racking systems. Our unique 35mm. contoured handle features a fine-grade knurling. This design supports the natural arch of the hands and gives the end-user an exceptional experience in every workout. The Dura-Pro dumbbell delivers comfort, function and durability- the foundation of what club owners and gym members have come to expect. They come in sizes 2.5 lbs. up to 130 lbs. The dumbbells over 100 lbs. have rubber heads. Covered by a 5-year warranty.

- Heads are threaded and permanently fixed to handle with heat tempered 1/4" steel roll pin
- Cylindrical metal heads
- Minimizes damage to floors and equipment
